10+ of same team \$45 framed, \$30 unframed

INSTRUCTIONS: Please fill out the player list below. You can send the list as soon 10 names have been placed. Don't wait for additional parents — they can place individual orders later at the desk. They just need to tell us there's a Manager List active, and we will add them afterwards so they can still benefit from the discounted prices. Before adding names, we recommend that the manager to make sure the parents already paid for their picture. **IMPORTANT**: The list must include at least 10 prints, and these must be fully prepaid before we begin printing. **Payment Options**: Pay at the desk (Square: debit or credit) or send an e-transfer (details provided upon request). We will notify the manager once the order is ready for pickup.

By e-transfer, please use eddie.schwarz@gmail.com. Take a screenshot of the list and text it to 902 943 8949. For pickup: Either the manager collects all items, or each parent can pick up their own by providing the player number and team at the desk. We will mark each item as picked up and remove it from the list.
